

# What's New in ProQuest Dissertations & Theses?

2022  
EDITION

ProQuest Dissertations & Theses™ is the hub of scholarship, where researchers come to learn from – and for – each other. It's the place where diverse voices, ideas and innovations contribute to global scholarship. Beyond an aggregated international collection, in 2022 PQDT will also contain a set of tools that provide insights into this connected network of research.

## 2021 PROQUEST DISSERTATIONS & THESES GLOBAL NEW CONTENT GROWTH

 **Over 5.3 million records**

Over **250K** new full text dissertations and theses were added to the database in 2021, totaling over **5.3 million** works and **2.9 million** in full-text. This was a **record-setting** amount.

 **Nearly 50 new universities**

Nearly **50 new** universities from **20 different** countries became Content Partners and are now searchable in PQDT Global for current dissertations and theses as well as the backfile of titles.

 **Nearly 60% international**

Nearly **60%** of new content added was from countries outside of North America. New countries now being represented: **Botswana** and **Italy**.
